

They Were Not Amused: Essays in Ineptitude (Paperback)

By Tony Roegiers

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. I began writing personal essays about twenty-five years ago, at about the time I taught my first composition class at the University of Nevada. As the grand finale in my freshman writing courses, I asked my students to produce a personal essay, using Phillip Lopate's Joie de Vivre for examples. I thought that in fairness I should also share with the students my own foibles and personality snags-the accumulation of which have led me into lifelong conflict and head shaking with those in authority over me. I am now left with the residue, like an urn-full of gristly and grizzly ashes with the proverbial no place to go other than to be either flushed or published.
